

# At-Home Alabama Regions Map Project

Due: \_\_\_\_\_

1. Fill in the names of the regions on your map key.
2. Find seven household items (like buttons, beans, stickers, glitter, etc) to glue on each of the seven regions of your Alabama Regions Map.
3. Cover all of section one with one of the items (example: buttons) and then put that item (example: a button) next to number one on the map key.
4. Then, select a different item to cover section two, and put one of that item next to the two on the map key.
5. Repeat with sections 3, 4, 5, 6, and 7.

## **REMEMBER:**

1. **No perishable items!**
2. **Projects will hang in the hallway in a page protector. Please keep this in mind as you select items for your project. 😊**
